Scholarship

Annual Scholarship Fund

Providence Academy provides scholarship support to families based on need. Our 2020-2021 school year goal is to raise \$400,000 to help families through this scholarship fund. Providence Academy uses an independent institution to confidentially determine need. Eligible families can receive up to 50% of their tuition from the Providence Academy Annual Scholarship Fund.

PA Board Direction for the Annual Scholarship Fund

The heart of our Board of Directors is for scholarship funds to be available to help Christian parents who would like to provide a Christ-centered and classical education for their children but are not able to because of financial needs. The Board also desires to make the education of Providence as affordable as possible. Consequently, Providence Academy does not include a component of scholarship in tuition.

To achieve these two goals, the Board initiated the Providence Academy Annual Scholarship Fund. This annual fund has become an honored tradition at Providence. We are grateful to the families and friends who support this tradition, and we are excited to build His Kingdom – “One child at a time!”

Mission Statement

Providence Academy equips students to achieve academic excellence and spiritual maturity through a biblically-based, Christ-centered, classical education, so they will think and live in a manner which brings glory to God.

Scholarship Testimonials

From Anonymous Parents

“The timing is divine...”

“We are writing to say thank you for the generosity you have shown through granting our child a scholarship to Providence Academy. The timing is divine! This past year, God led us to adopt, and though we didn’t know where the money would come from, God provided through you to cover the initial expenses. So, thanks again for being used by God. We deeply appreciate your work!”

“God is always in control...”

“Our children, my wife, and I want to express our sincere thanks on your efforts to continue helping us in financing a Christ-centered education for our children. Please continue to pray with us as I endeavor to seek permanent employment within my field here in the Tri-Cities. I am comforted that God is always in control and reminded of the generosity of the family at providence Academy.”

“When my husband lost his job...”

“We enrolled our daughter in Providence Academy seven years ago and have been thrilled to see her thrive and grow to love God through every subject she is taught here. When my husband lost his job two years ago, we prayed for a way to keep her in a school that focused on the love and grace of God. The scholarship we received to keep her here is so very much appreciated by us, and we hope that we’ll be able to contribute to this worthwhile fund very soon.”

“To say thank you is so inadequate...”

“To say thank you seems so inadequate in expressing how thankful I am that my children are able to attend Providence Academy. I feel that our school has established a strong educational foundation to build on, and due to this foundation, they have the capability to achieve whatever degree they desire.”
